Producer OF THE Month

sweet basil

deliciously inspired greek meals

“Food that’s frozen, not frozen food.”

This is Connie Fassuliotis’ favorite way of describing what Sweet Basil frozen meals are to people who have never tried them.

Another apt description would be real home cooking. Imagine you’ve just had a lovely family gathering and your freezer is full of all the leftovers you look forward to throughout the year. Your grandmother brought one classic favorite. Your aunt brought another. Your brother brought another. It’s the food that has been passed down and refined over generations, has become a deep comfort, and allows the spirit of eating together to linger just a little bit longer after everyone has gone home.

Assistant Grocery Manager,
Pete Kenney, sports our new
BFC "cammo" hat.

Not only do we have the coolest new merch, but it was made at Worx Printing, a worker-owned union cooperative based in Worcester, MA. Worx Printing's mission is to ensure that cutting-edge print technology is coupled with the highest bars of manufacturing and labor standards, escaping the "race to the bottom" currently present in most industries.

We have a limited run of 24 of these BFC "cammo" hats, so come in and grab one quick.

You'll be supporting two awesome co-ops!
